BOOTH'S PISTOL

Which Killed Lincoln on Exhibition at Portsmouth, Ohio

At Portsmouth, Ohio, W. H. Wagner has in his show window the pistol with which John Wilkes Booth killed President Lincoln.

It was sent to him by Al McBride, a one-legged soldier who served in Wagner's Company during the Civil War and has ever since been connected with the Smithsonian Institute. After shooting Lincoln, Booth made his way out of the theater into the alley at the rear. The pistol, which is a small caliber one-barreled derringer, was picked up at the spot where he mounted the horse which had been held in waiting.

For the next two weeks we may look out for tropical storms and scorching hot weather.

Getting a position is not all—keeping it is what really counts. Our system of instruction in shorthand is based on thoroughness; therefore our students not only get good positions, but keep them. Our method meets individual needs so that each pupil is equipped with a practical working knowledge; not a theoretical book knowledge of shorthand. Classes open September 6th 1909. Terms very reasonable. For details call on Miss Johnson, 212 Court street. Pupils recently placed by Miss Johnson are Misses Leonard, Covert, Gaebke and Enas in Maysville and Miss Wedding in Cincinnati, O.

By Special Arrangements!

With the best manufacturers in the land we are enabled thus early to show our young friends the 1909 and 1910 fall styles. We specially invite the young students, who soon will return to their respective colleges, to call and be shown what we deem the most attractive Suits we ever had the pleasure to offer you. It is a well-known fact that few communities exhibit as refined taste in wearing apparel ours. This applies as well to the softer sex as to the sterner.

To be "in it" you simply have got to have the "right stuff."

To fully convince you "that we have it," come in and spend a few minutes with our salesmen, who are eager to show you the incoming styles.

Cutting Won't Cure Piles—Internal Treatment Needed

A gardener doesn't kill weeds by cutting their tops. He attacks the root. Just so with piles—the cause is within, entirely out of reach of surgical instruments, ointments or suppositories. The only cure for piles is internal and the only guaranteed internal remedy is Dr. Leonard's Hem-Roid. It has cured 98% of cases, and 24 days treatment is sold for \$1 at J. SUMMER-DIARRHEA CURE FREE

There are few troubles about which the sufferer is given more bad advice than summer diarrhea, or "running off of the bowels." Your friends will probably tell you to take Jamaica ginger, a mixture of laudanum or some other astringent remedy. These are the very things you should not take. Summer diarrhea is caused by catching cold in the stomach or bowels or because of some unfit food or water that you took. These were germs, and the germs got into the bowels and irritated them. The thing to do is to take a reliable antiseptic laxative like **DR. CALDWELL'S SYRUP PEPsin**, which will promptly remove the germs and tone and strengthen the stomach and bowels and thus give them a new start. Young and old can use it with equal effect. Thousands of American families keep it constantly in the house for just such digestive troubles as summer complaint, indigestion, biliousness, constipation, sick headache, and especially for the digestive ailments of babies and children. No baby will refuse **DR. CALDWELL'S SYRUP PEPsin** as it is very pleasant to take, and, unlike salts and purgative waters, tablets and pills, it acts naturally and does not gripe. A bottle can be bought at any drug store for 50 cents or \$1.00, and one bottle is sufficient to keep an entire family in good health for a long time.

"FAIRIES IN THE WELL"

How an Enterprising Showman
Raked in the Coin on Cute
Scheme

Winchester Democrat.

An itinerant photographer pitched his tent at the Fair last week and with the assistance of two handsome girls, expected to do a land office business.

The photo business waxed dull and the man struck upon a cute scheme to separate the suckers from their money. He dug a pit in the center of the tent three feet deep, let the girls stand up in it, and then by energetic spilling, brought in the crowd at ten cents per head to see the genuine "Fairies in the Well." People nearly fell over each other to see the wonder, and on Thursday night he was forty dollars ahead of the game.

All of which goes to show that we people like to be humbugged and that suckers are born faster than they die.

You Will Make No Mistake if You
Follow This Advice

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Mayville residents demand further proof than that contained in the following testimonial?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and I suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

At Chicago, Mrs. Marie Handzel committed suicide and at the same time asphyxiated her three boy babies. She had carefully bathed and dressed her three children—one 4 years old and the other two 2 years old—and carried them into the bathroom, where she had closed the door and turned on the gas.

CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I found Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you I am free from all that this morning. You can use this in behalf of suffering humanity."
